Women's Health Clinic

UFS Medical Centre holds a fortnightly Women's Health Clinic on Mondays and Wednesdays from 4pm to 7pm. Our female Nurses are qualified Pap smear providers and can provide education on menopause, contraception, breast health, menstrual issues and continence. Appointments are 20 minutes in length and will be bulk billed.

Fees and Billing Arrangements

All patients are asked to settle their account on the day. Our standard fees are:

	UFS Members *	Non-Members
Standard Consultation	\$54.00	\$56.35
Long Consultation	\$82.00	\$84.20

* Please note UFS Members receive a 10% discount off the 'gap' of all consultations.

If you would like any information regarding fees, please see our Reception Staff. If you are referred for investigative tests, please ask your Doctor about costs that may arise.

Recall & Reminder System

UFS Medical Centre has a recall and reminder system in place for all patients requiring follow up appointments for immunisations, Pap smears, health assessments and care plans. Please advise your Doctor if you do not wish to be included in this service.

Management of Personal Health Information

It is policy of this Practice to maintain the security of personal health information at all times and to ensure that this information is only released with your expressed written consent. We have a more comprehensive Privacy Act policy that you are welcome to read upon request.
